Updates in Bioabsorbable Metals 2020

August 24 to 25, 2020
VIRTUAL WORKSHOP

Welcome to the Virtual Workshop «Updates in Bioabsorbable Metals 2020»

Dear colleagues, the Biometal 2020 onsite edition has been cancelled due to COVID-19. This online workshop will be taking place on August 24 and 25, in real time and synchronic mode, i.e. presenters and speakers online at the same time*. The organizers will make every effort to ensure that it continues to follow the spirit of Biometal, and it will be exciting and thought-provoking event with many opportunities, both for promoting your research activities and learning about the latest developments. There will a single track of presentations. Presentations will be divided into the following distinctive types: Keynote presentations, Oral presentation, and Short orals.

We look forward to a safe, socially conscious, but nonetheless stimulating event.

We cannot wait to e-meet you on-line on August 24th and 25th

Co-Chairs

Prof. Diego Mantovani, Prof. Mark Staiger, Prof. Yufeng Zheng, Prof. Frank Witte

Partners

The Biometal 2020 Virtual workshop is open for strategic partnerships with sponsors worldwide. A number of personalized plans are available for providing the suitable visibility your company, organization or institution deserve. Platinum, Gold, Silver and Bronze Partnerships as well as «À la carte» option are detailed in the following pages.

Don't miss this unique opportunity to show off your products and technology to an international audience of potential customers, world renowned scientists, suppliers and partners!

Conference location

The Biometal 2020 onsite edition, that was supposed to be held in Alicante, Spain, has been cancelled due to COVID-19 and converted in a virtual workshop.
